## RESIDENTIAL LIFE

Davis College sits on a beautiful, small, 40-acre campus. Students make lifelong friends, engage in many activities and groups, and develop academically, spiritually, and socially. The Residential Life staff promote an atmosphere of encouragement and spiritual growth.

### DORMITORIES:

We offer two separate buildings for single students: men reside in Patterson Hall and women reside in Chatlos-Davis Hall. Each room is fit for 1 or 2 residents. The campus provides every dorm-resident student with the following:

- A height-adjustable bedframe with mattress
- Dresser
- WIFI
- Desk and Chair
- Closet Space

Dorm buildings also contain kitchenettes, lounge areas, and coin-operated laundry machines.

### UPPERCLASSMAN SUITES:

In a suite, students can live with 3 – 4 other students and be more independent while living on campus. The suites are for single students that are Junior or Senior status, at least 20 years of age, and maintain a GPA of 2.5 or higher. Men reside in Phillips Hall, and women reside in Clements Hall.

Suites come with the following:

- Refrigerator
- Stove
- All utilities are included
- WIFI
- Bedframe and mattress
- Dressers
- Additional furnishings for these apartments may include a couch, dining table and chairs, and/or a microwave depending on availability
- Coin-operated laundry machines

### FAMILY APARTMENTS:

We also offer apartments for married couples (and their children, if any). Mason Hall is a family-friendly building with a playground, picnicking area near the building, and private parking separate from main campus. Here, married students have opportunities to be a part of a community that is encouraging and supportive.

Family apartments come equipped with:

- Refrigerator
- Stove
- All utilities included in rent
- WIFI
- Coin-operated laundry machines

## SPIRITUAL LIFE

### CHAPEL AND WORSHIP:

Deepen your relationship with God and grow in your spiritual walk with Him. Students participate in chapels and enjoy guest speakers, worship nights, prayer groups, student-led Bible studies, and more.

Participate in the worship teams at Davis College. Teams are made up of students with musical talents and a passion for leading the community of Davis in praise and worship at different events, chapels, and campus worship nights.

### STUDENT MINISTRY:

Students at Davis College are required to engage in practical service. The goal of Student Ministry is to help you grow and receive mentoring in a ministry context. Students join active, hands-on ministry on campus and in the community.

Students fulfill Student Ministry requirements through various activities, including volunteer work, camp ministry, missions trips, and more. We offer a listing of local ministry opportunities.

## PROVIDING FREEDOM AND CONFIDENCE TO HELP YOU SUCCEED.

The final aspect of paying for college, which is exclusive to Davis College, is our special program for First-Time Freshmen pursuing a Bachelor's Degree - the Davis College Financial Liberty Exercised (**FLEX**) program.

**FLEX** is a program that allows qualified students to have financial confidence and stability upon graduation, because the **FLEX** program will help you (and your parents) repay your college loans if your income after graduating isn't at least \$36K. **FLEX** gives you the freedom and the confidence to pursue your passion in whatever field upon graduation, at no cost to you, because Davis College believes in providing support for our students, in whatever capacity, to help you be successful.
